

Booking Camping

You must book your camping stays at Cotswold Sailing Club via the membership website. By booking your visits online it potentially saves our camping secretary hours of work and ensures that the club maintains the detailed records required to ensure the renewal of our camping license.

Once you've logged into the [membership portal \(https://membership.lake9.co.uk/\)](https://membership.lake9.co.uk/)

Select Camping from the menu

Go to the Available Dates menu item and check when camping is allowed. Then Select Book Camping

You can then select your **arrive** and **departure** dates, **who** from your family is camping and the **vehicles** that will be on-site.
